HARDY PERENNIAL PLANTS FOR EARLY FORCING

Have you tried any of these Hardy Plants? Many florists are now forcing them for Easter and when well done find them a profitable crop.

CAMPANULA MEDIUM. (CANTERBURY BELL)

A fine lot of 4-inch pot grown plants in blue, white, rose or mixed varieties \$1.00 per dozen; \$7.00 per 100.

FUNKIA UNDULATA MEDIA PICTA. (VARIEGATED PLANTAIN LILY)

One of the good selling plants when forced into foliage in pots. We have a large stock of these and can supply strong roots at 85 cents; \$1.25 and \$1.50 per dozen; \$6.00, \$8.00 and \$10.00 per 100, according to size.

DIELYTRA SPECTABILIS. (BLEEDING HEART)

Strong clumps 85 cents per dozen; \$6.00 per 100; \$50.00 per 1000.

LUPINUS POLYPHYLLUS MOERHEIMI. (PINK-FLOWERING LUPINE)

A beautiful variety, a combination of light and dark shades of pink, a splendid pot-plant when well done. Strong clumps \$3.00 per dozen; \$20.00 per 100.

Now is the proper time to prepare the above and we shall be pleased to select choice stock for you.

Yours very truly,

Henry A. Dreer Inc.
